SEAFOODS**

QUALITY SEAFOOD FROM ASIA

**THE FINEST
QUALITY SEAFOOD FROM
VIETNAM & INDONESIA**

*Quality shellfish and other seafood
sustainably produced by our partners in Asia*

**DOING IT THE RIGHT WAY.
IT'S EASIER, FAIRER AND
BETTER THAN DOING IT
THE WRONG WAY!**

*We always do the right thing for
our Customers, our Supply Partners, the
Environment and our Stakeholders*

*Respect, Quality,
Responsible Sourcing,
Sustainability,
Integrity and Fairness*

RESPONSIBLE SOURCING

Sourcing with respect for the **environment**, our **suppliers**, our **people**, our **customers** and our **products**

We work collaboratively with our **partners**, who have offices and resource in Vietnam and Indonesia to ensure that everything that we sell is **Responsibly Sourced**.

Our partner has over **20 years of experience** working with and developing the best suppliers to deliver market leading **quality** and **certified** seafood to our Customers' specifications at **affordable prices**.

Our partner provides sourcing specialism, auditing, compliance, supply chain, logistics, innovation, aquaculture and finance support via their **extensive teams based in Ho Chi Minh City and Jakarta**

ENVIRONMENTAL & SOCIAL RESPONSIBILITY

- Promotion of Responsible and low impact farming based on highest standards, latest technologies, as well as 'do the right thing' values
- Promotion of Responsible fishing through focus on hand and pool catching and active engagement in Fishery Improvement Projects in Vietnam and Indonesia

- Social Responsibility: Rely on SMETA and BSCI to protect Workers Welfare and routinely monitor for compliance in our farms and factories
- Developing our network of Research Establishments in Asia to combat water pollution, eye stalk ablation, and similar issues

- Working to improve the transparency of fish meal and fish oil ingredients to improve sustainability and decrease over time the use of marine ingredients
- Developing special feed formulas to boost Nutrition performance of our seafood ingredients and the related Nutrition benefits for consumers
